We have over 80 professionally trained and enthusiastic volunteers plus 25 paid staff who provide help, advice and information to the public on a wide range of subjects. [www.nscab.org.uk](http://www.nscab.org.uk)

We would like to hear from people with a willingness to give a little of their time, experience and commitment and particularly anyone with up to date experience of Governance, Strategic Development, IT, Fundraising or Training. Additionally we are seeking a Treasurer to the Board with the relevant financial experience to oversee our finances.

As an organisation committed to equality and diversity, we particularly welcome applications from candidates from all sections of the community and those from disadvantaged groups to help steer the service forward.

Posts are unpaid but we offer the opportunity to work as part of a professional team to help meet the new challenges and opportunities that we face. There are a minimum of 10 meetings a year comprising of Board Meetings, Executive Meetings and Staff Meetings.

If you think you can help guide our future success, please contact Fiona Cope, Chief Officer, for an informal discussion on (01934) 836202, or email Wendy Fletcher, Training Team Leader on [wendy.fletcher@nscab.org.uk](mailto:wendy.fletcher@nscab.org.uk) for a job description and application form.
